

# WELCOME TO ROOM 215

I am thrilled to welcome you to my first grade class. We are going to have a fun and exciting year. I am reading many new books this summer and can't wait to share them with you this year.

You will be going to eat lunch in the cafeteria each day. You can buy just milk or a full lunch. On the first day, I will show you the cafeteria, the routine for buying a lunch or milk, and where our class will be sitting. Even though you will eat lunch daily in school, you will also have a snack time. Sooooo.... Remind your parents to pack a healthy snack/drink for you each day.

If you are shopping for school supplies, here is a list of things you can pack up and bring with you on the first day. This list is also the list that was posted on the district web site. *The only item I do not want included is markers....please do not send in markers.*
